Make a Wish Come True for Homeless Pets

People aren't the only ones losing their homes in this waning economy. Pets are too. Money woes and the high rate of foreclosures are forcing some owners to give up or abandon their pets, which in turn is stretching the resources of local animal rescue groups.

As a result, the Ski Center is hosting Santa Land in support of "Wish Upon a Paw." Guests are invited to make a donation of money or pet supplies to help meet the critical needs of local animal rescue groups, including Richmond Hero, BARK, CARE, SomeBuddies, Richmond SPCA, James River Greyhounds, and the Powhatan Animal Shelter.

Needed supplies include pet food, cat litter, housebreaking pads, fleece blankets, towels, paper towels, beds, trash bags, bleach, laundry detergent with bleach, cat and dog toys, metal dog crates, cat carriers, igloo dog houses, office supplies and more.

For more information, visit www.WishUponaPaw.com, or contact Anne Stallard at the Ski Center at 804-794-8500 or e-mail skirichmond@aol.com.
